**Re: MUR 7213
Labor United for Connecticut**

Dear Mr. Jordan:

On behalf of respondents Labor United for Connecticut and Paul Filson, in his official capacity as Treasurer (under Conn. Gen. Stat. § 9-602) ("Respondents"), I request a 20-day enlargement of time from March 8 to March 28 to respond to the complaint, for the following reasons.

I have just been engaged to represent Respondents in this matter, and require additional time to consult with my clients, gather pertinent records, determine the underlying facts and prepare an appropriate response to the complaint for the Commission's consideration. Meanwhile, I am occupied with other litigation and matters, including several that are before the Commission. The brief requested enlargement of time will enable Respondents to respond to the complaint and will have no practical bearing on the operation of the statute of limitations in this matter, as the complaint alleges events occurring in 2016.

Accordingly, Respondents respectfully request that this brief enlargement of time to respond be granted. Thank you for your consideration.

Yours truly,

Laurence E. Gold
Counsel for Respondents
